What We Offer

- Undergraduate Courses: 28
- Postgraduate Courses: 33
- PhD Programs: 15

The Faculty of Humanities and Social Science is dedicated to providing students with a deep understanding of the social, cultural, and political forces that shape our world. Our faculty offers a wide range of undergraduate and postgraduate programs. Our programs are designed to provide students with a well-rounded education that develops critical thinking, communication, and research skills. We believe that a strong foundation in the humanities and social sciences is essential for success in a variety of fields, including academia, law, business, and government. Our faculty is composed of experienced and knowledgeable professors who are dedicated to helping students achieve their academic and professional goals. We provide our students with opportunities for hands-on learning real-world experience, and community engagement programs. Our goal is to prepare students for a lifetime learning and engagement, inspiring them to become active and responsible members of society. We encourage our students to explore their passions and interests, and think critically about the world around them.

Where You Come In

We are looking for an energetic and dynamic pedagogue with a demonstrating mind-set to combine scholarly achievements, teaching excellence and service to the University and Community for the position of Associate Professor in the Faculty of Humanities and Social Science (Level 13 A).

Duties & Responsibilities

The duties and responsibilities of the position include, but are not restricted to, the following:

I. Student Learning Experience

- Oversee the design and development of the overall curriculum.
- Design, develop and deliver a range of programmes of study at various levels.
- Lead the development and clarification of academic standards and quality for the subject area.
- Working with the Dean, lead the development and implementation of the student learning experience strategy.
- Make a significant contribution to the development of academic policies across the University.
- Ensure that academic policy and practice is inclusive and accessible.
- Develop, promote and evaluate the use of innovative assessment methods.
