Job Description for Chief Engineer | Chief Officer (Marine Engineering)

Who We Are

C.V. Raman Global University (CGU), Odisha started in 1997 as a degree-level engineering college, named as C.V. Raman College of Engineering (CVRCE). With 25 Centres of Excellence set up in collaboration with industry leaders across the board, the university today has over 20 start-ups working under its AIC & TBI incubation centre.

Our Accreditations:

- Within top 100 Engineering Institutions in India by NIRF (National Institute Ranking Framework), MHRD, and Govt. of India during 2016, 2017, 2018, 2019, 2020, 2021, 2022 & 2023.
- Recognized as S.I.R.O (Scientific and Industrial Research Organization) by D.S.I.R., Government of India.
- CGU awarded “Skill Champion” by Govt. of Odisha in 2023
- CGU awarded Higher Education Excellence award by FICCI in 2022
- As per Times Engineering Survey (2022), CGU secured a notable position among the top engineering colleges in the country, ranking 35th among the top privately run engineering institutes nationwide and 4th in the eastern region.
- The University was recognized as a "PERFORMER" in the "University & Deemed to be University (Private/Self-Financed) (Technical)" category in the Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2021, a flagship program of the Ministry of Education, Government of India.

Notable Awards and Honours:

- In the field of research, the University received grants over 5 crores in 2022.
- Ms. Manisha Padhi, alumni of CGU have been appointed as the ADC to The Hon'ble Governor of Mizoram in 2023 and became the first ever female to hold the position.
- Ms. Swagatika Mohanty, Civil Engineering (2013-17), has bagged the 15th rank in Odisha Civil Services Exam in 2023 and is now a functional, respectable, responsible OAS.
- Safia Aktar, Anshu Kumari, and Radhika Rani Panda won the 1st prize at “10-Hour Women Hackathon” organised by Trithon Triplets 2k23.
- Abhishek Kumar, B.Tech (ECE) awarded the Visweswaraya Prativa Puraskar at Odisha Technological Conclave, 2023.
- Mr. Praveen Giri won the Silver Medal in the area of Water Technology at World Skills, Switzerland, 2022.
- Mr. Subrat Patel won Medallion of Excellence in the area of Restaurant Services at World Skills, Switzerland, 2022.

- 9 students represented India in Worldskills 2022 in 7 various Skills.
- CGU won Smart India Hackathon (SIH) 2022 in Software Edition.

What We Offer

- Undergraduate Courses: 28
- Postgraduate Courses: 33
- PhD Programs: 15

The Marine Engineering Department at CV Raman Global University in Bhubaneswar is dedicated to providing students with a comprehensive education in marine engineering. Our department has a team of experienced faculty members who are committed to imparting the knowledge and skills required to excel in the field of marine engineering. Our department offers undergraduate and graduate programs in marine engineering, providing students with a strong foundation in the fundamental principles of marine engineering, including marine propulsion, electrical systems, control systems, and naval architecture. The curriculum is designed to provide students with a hands-on learning experience, enabling them to apply theoretical concepts to real-world situations. The Marine Engineering Department at CV Raman Global University has a state-of-the-art laboratory equipped with modern equipment and simulators to provide students with practical training. Students also have access to a library that contains a wealth of resources, including books, journals, and research papers. We are committed to fostering a supportive and inclusive learning environment, where students can thrive academically and personally. We encourage our students to participate in extracurricular activities, such as clubs and societies, to develop their leadership skills and build a sense of community. We are confident that our department will provide you with an exceptional education in marine engineering and prepare you for a successful career in the maritime industry.

Where You Come In

We are looking for an experienced and highly skilled Chief Engineer/ Chief Officer to lead our Marine Engineering Department. The Chief Engineer/ Chief Officer will be responsible for overseeing all technical aspects of our marine engineering operations. The ideal candidate will have extensive experience in marine engineering.

Duties & Responsibilities

The duties and responsibilities of the position include, but are not restricted to, the following:

- To impart classroom teaching to the students undergoing the GP rating courses in the University.
- To perform all other duties as per the guidelines of Directorate General of Shipping and University norms.
