- CGU won Smart India Hackathon (SIH) 2022 in Software Edition.

What We Offer?

- Undergraduate Courses: 28
- Postgraduate Courses: 33
- PhD Programs: 15

Where You Come In?

We are looking for an energetic and dynamic pedagogue with a demonstrating mind-set to combine scholarly achievements, teaching excellence and service to the University and Community for the position of Assistant Professor (Pharmaceutics/Pharmaceutical Chemistry/Pharmacology) in Pharmacy.

Duties & Responsibilities:

The duties and responsibilities of the position include, but are not restricted to the following:

I. Student Learning Experience:

You are required to contribute directly to degree programme through research-led teaching, supervision of laboratory sessions, student mentoring and supervision of research scholar/ student projects. Prepare, deliver and assess a range of Departmental subjects at undergraduate and postgraduate levels. This will extend to supporting innovation in teaching, transnational and digital provision of programmes, and new technologies as needed. This includes, but is not limited to:

- Supervision of laboratory sessions, and student mentoring.
- Supervising undergraduate and postgraduate student projects.
- Getting involved in course development and delivery and participation in the ongoing development of programmes.
- Enhancing professional development skills for teaching.

II. Research and Scholarship:

Engagement in high quality research activities either independently or in association with one or more existing research groups/centres. This engagement should have led to publications in high impact factor journals and presentations at international conferences. Additionally, the ideal candidate should:

- Show potential to establish an independent research programme and attract research funding from competitive research funding schemes and/or industry.
- Participate in research-related administration such as research student supervision, PhD thesis examination and related duties.

Mail us at: recruitment@cgu-odisha.ac.in; Contact: +91 9040930328

- You shall publish minimum 3 research papers in an academic year, out of which minimum one should be under SCI/SCOPUS.

III. Service and Contribution to University and Society:

Contribute to the ongoing direction and strategy within the school, faculty, university and profession, for example:

- in terms of strategic planning, quality review and improvement processes and external programme accreditations.
- via involvement with appropriate professional institution(s) and associated initiatives.
- developing and delivering the International Activities of Dept., including international travel to do so.

Undertake administrative functions related to the activities of the Departments, and the wider University. Such duties will be defined by the Head of Dept. and may include some of the following: degree programme coordination; participation in committees; visits to students on industrial placement programme; student recruitment and other such duties desired by the management of the University.

What Are We Looking For?

- **First Class (60%) career** throughout.
- **Master's degree** (or an equivalent grade in a point scale wherever grading system is followed) **in a relevant/allied subject** from an Indian University, or an equivalent degree from an accredited foreign university.
- Candidates with experience in Teaching/Industry/Research and **GPAT** qualification will be given preference.

OR

Ph.D. degree with relevant branch/specialization from a university/institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) and Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

- Must have registered as a Pharmacist under the Pharmacy Act.
